CALL TO ORDER

DEPARTMENT OF PROFESSIONAL LICENSING REPORT

Commissioner VanHoose informed the board that the entire Public Protection Cabinet will be moving to the 500 Mero Building mid to late fall.

BOARD COUNSEL REPORT

Mr. Kerr informed the board on the following:

- The reorganization bill did not go through the 2019 legislation session, therefore no oversight or administrative changes to the board.
- Memo from KHEAA regarding HB 118 was sent out to DPL. The memo is related to the Keep America Working Act and states the licensing authority that governs the person's occupation shall not suspend or revoke the license it has issued to that person solely on the basis of the default or delinquency to ensure that hard-working Americans keep their occupational licenses while struggling to pay off student loan debt, keeping them out of welfare, out of poverty, and in the workforce.
- Spouses and retirees are to be included for the 30 day turn around for military licenses.
- With HB 4 we will have to file KRS changes by June 15, 2019 and not sure this is going to be possible. The best option would be a whole makeover of all the laws and regulations and file them all at once.
